3. Face Masks in Greece:

The Greek government recently made it compulsory for all to wear face masks in super markets to limit the spread of the Corona virus (Covid-19)

and to avoid a possible second wave.

However, the super market is not the only indoor space where it is mandatory to wear face masks in Greece. It is also mandatory to wear face masks:

- ✓ in public transport (buses, trolleys, trains, metro)
- ✓ in taxis
- ✓ in hospitals
- ✓ in the doctor's offices
- ✓ in medical centers
- ✓ in beauty salons
- ✓ on ships
- ✓ on planes

Those who do not wear a face mask in the above spaces, will be required to pay a fine of 150 euros.
